

## July 2022 – Resources for World Peace Diet Circle

Compiled by Dr. Will Tuttle  
For World Peace Diet Circle Members

*“The conscious and intelligent manipulation of the organized habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country. ...We are governed, our minds are molded, our tastes formed, our ideas suggested, largely by men we have never heard of. In almost every act of our daily lives, whether in the sphere of politics or business, in our social conduct or our ethical thinking, we are dominated by the relatively small number of persons...who understand the mental processes and social patterns of the masses. It is they who pull the wires which control the public mind.” – Edward Bernays*

*“The way you see people is the way you treat them, and the way you treat them is what they become.” - Johann Wolfgang von Goethe*

*“We didn’t really understand the fatality rate. We didn’t understand that it’s a fairly low fatality rate and that it’s a disease mainly of the elderly, kind of like flu is, although a bit different.” — Bill Gates, May 3, 2022*

The tests are rigged.  
The death count is false.  
Masks can be dangerous.  
Hand sanitizer is toxic.  
Vaccines are poison.  
The government and  
news media are lying.
